## WOULD PURCHASE ALLEY PROPERTIES

Miss Helen Parrish Says Stock Com pany Could Solve Problem in Capital.

The formation of a stock company is but up property in the alleys of Washington the state of the

nich is siding the poor of the Guaker 17.

Sang conditions in Philadelphia as expises. Mise Parrish pointed out that in ashington it undoubtedly would be satisfied on a stock company to buy the cy properties, supervise the life of or redients and guarantee from 4 to 8 round dividends to the stockholders. Do relating between the landlord and mint. Mise Tarish said, is of the greating portion of the stockholders of people to change their mode of ing. Euri collectors should be men, also said, with authority to intent the burners, see that children and action and that the sick receive oper attention.

or attention.

The worst kind of a landlord, the and the worst kind of a landlord, the and the constant of the same of of the
